Good Morning.

Letter looks great. Minor edit – delete the date. Carmen/Gladys will stamp the date when Karen signs it.

Once you revise it, put it together for concurrence.

Great job for getting our message across – PADEP has lead on cleanup & we are working cooperatively with our State partners.

Thanks,
Yaz

Hi Yaz,

I put this letter together in response to the Control Correspondence for the letter that was submitted on the Bishop Tube Site. It is kind of difficult to answer the questions Ex. 6 Personal Privacy (PP) is asking since PADEP has the regulatory lead on the site but please review and provide comments/changes as necessary. Let me know if you have any questions.

Thanks,
